

To our valued customers,

It's with a heavy heart we announce we will be closing both Circle 7 Ranch venues effective immediately. In efforts to adhere to guidance from federal and state agencies, we will remain closed for 15 days in efforts to slow the spread of Covid-19. We take great pride in providing the best dining experience in the safest environment possible for our loyal employees and customers, and at this time, we feel this is the safest course of action.

We are blessed to be part of such giving and close knit communities! We encourage everyone to support each other in these trying times. One thing is certain, we will get through this, and we will do it together. We truly believe we will come out of this stronger.

Thank you all for your continued support. We look forward to reopening and serving you again in the near future!
